

Accountant - Group Accounting (m/f/d)

Lübeck

Founded in 1921, OLDENDORFF CARRIERS combines its history as a German shipowner with the network of one of the world's leading drybulk operators. We are currently operating around 800 owned and chartered vessels and transporting approximately 415 million tons of cargo annually. Our global operations focus on spot business, industrial contracts, and offshore transshipment, primarily carrying iron ore, coal, and agricultural products.

Our 4,500 employees from 60 countries include more than 1,000 office-based colleagues across 20 locations and over 3,000 seafarers.

Our customers can expect 100% performance. All the way.

About the Role

We are looking for a motivated Accountant who is eager to take ownership, help shape processes, and work with international teams to build the finance function of tomorrow.

This is not a traditional accounting role. You can expect a varied position at the intersection of Accounting, Group Reporting, and our international subsidiaries.

Job Responsibilities

International Group Accounting

- Coordinate and reconcile intercompany transactions between our international entities.
  Act as the central point of contact for our subsidiaries worldwide and ensure a smooth flow of information.
- Monitor the monthly reporting of our international entities and review data for completeness, plausibility, and timely submission.
- Support our international teams with accounting and reporting-related questions.
  Analyze reporting discrepancies and work together with the respective locations to develop solutions..
- Support quarterly and annual financial closing processes and provide the relevant information from our subsidiaries.

Accounting & Fixed Asset Accounting

- Manage our fixed assets throughout their lifecycle, from capitalization to disposal.
- Process scheduled and unscheduled depreciation and impairment.
- Review, assign accounts to, and post incoming and outgoing invoices.
- Post bank transactions and ensure accurate and reliable financial data.

Projects & Process Optimization

- Work closely with our Controlling and Treasury teams as well as external accounting service providers abroad.
- Contribute your own ideas and actively help shape modern finance processes.
- Support digitalization and automation projects within Accounting.

What You Bring Along

- Completed commercial or business-related vocational training with a focus on finance and accounting, or a comparable qualification.

- Good knowledge of financial accounting in accordance with German GAAP (HGB). Strong proficiency in Excel and standard Microsoft Office applications.
- Very good English skills for collaborating with international colleagues.
- A structured, independent, and solution-oriented approach to work.
- Strong communication skills and enthusiasm for collaborating with colleagues.
- Analytical thinking, a strong affinity for numbers, and excellent attention to detail.

Nice to Have

- Successfully completed further qualification as a Certified Accountant (Bilanzbuchhalter IHK).
- Experience with Dynamics 365 Business Central.
- Knowledge of the shipping industry or experience working in an international corporate environment.
- An interest in digitalization and process optimization.

What We Offer

- Our corporate culture is special: relaxed and international, open and traditionally with flat hierarchies.
- Since the very beginning, teamwork and quick decision making have been our success factors. Encouraging our employees to realize their ideas and initiatives is as important to us.
